## Bed and Breakfast Host Information

Our UUCSS Bed and Breakfast initiative is a way to meet congenial UU's and add to our Congregational income. Arrangements are made in advance by our B & B coordinator. The host provides room and breakfast at a charge per room of \$95, payable to UUCSS. One night's payment will be received in advance and a check to UUCSS for the balance will be left with the host. Please join us in this initiative by providing the following information.
